WARNING

TRESSPASS: Depiction of a road or track does not necessarily indicate a public right of way. Unlawful entry upon private land or a restricted area and/or willful damage of property such as gates and fences exposes offenders to legal prosecution. Seek permission to enter and leave gates as you find them.

WARNING

The condition of tracks and roads are variable in remote locations and subject to change. 4WD access only should be assumed. Some tracks may become impassable after rain or storms. Fallen trees, landslips and flooded waterway are common. Be aware of wildlife.
